Of these, the first three have ceased to be held by Assistant Surgeons.

There can therefore, under existing orders, be only 29 Assistant Surgeons permanent and one Assistant Surgeon temporary.

At present, against 7 places of permanent surgeons, there exist actually only 6 officers of the rank of Surgeons; and there are 29 permanent, one sub-protem and four temporary Assistant Surgeons.

By the promotion of one Assistant Surgeon (Mr. T.V.Kuppuswami Mudaliar) to the one place of permanent Surgeon which is now vacant there will only be 28 permanent Assistant Surgeons.

That means there will be one permanent vacancy among Assistant Surgeons.

And again out of these 28 Assistant Surgeons, 3 are doing duty in the Health Department (Messrs. Karve, Mascarenhas, and Fernandez) and one (Mrs. Mary J. Whale) is on long leave.

Therefore there are also 3 sub-protem and one acting vacancy amongst the Assistant Surgeons.

Sir,

With reference to your Docket No.5632-Med. 60-16-13, dated, the 28th February 1917, requesting me to specify the particular vacancies against which certain appointments in the grade of Assistant Surgeons were proposed by me in my letter No.G.246, dated, the 8th February 1917, I have the honor to state as follows:

The sanctioned number of Assistant Surgeons in the Medical Department, according to the Government orders read in the preamble to G.O.No.7871-2-Med.117-14-12, dated 22nd April 1916, is 29. Of the 4 temporary appointments ordered to be made under paragraph 2 of the same order, two (viz., Vaccine Institute and Assistant Chemical Examiner) have ceased consequent on the re-organization of the Public Health Department. The charge of the Mysore-Arsikere Railway has also ceased on the reversion of Mr.N.S.Nanjundaiya. Thus only one additional temporary appointment is possible. The appointment of Mr.B.K.Narayana Rao ought properly to be taken against the new charge created by the opening of a special Eye Department in the General Hospital, Mysore. Thus there is room for 30 permanent and one temporary Assistant Surgeons.

The Civil List corrected up to 1st January 1917 shows 29 permanent Assistant Surgeons (excluding the 5 five officers whose temporary appointment was ordered in Notification

Subject.

Specifies the particular vacancies in the grade of Assistant Surgeons, to fill up which recommendations have been made.

No.1832-Med.60-15-13, dated 11th September 1916). The promotion of Mr.T.V.Kuppaswami Mudaliar to the Surgeon's grade will reduce the number of permanent officers to 28, leaving two permanent vacancies and one temporary. Of the permanent officers shown in the list, Messrs.J.V. Harve, and J.V.Mascarenhas and F.Fernandes have been working in the Sanitary Department, making three sub pro.tem. appointments possible in the last grade of Assistant Surgeons. The absence of Mrs.Mary J.Whale also admits of another acting appointment in the last grade. Thus, two permanent, three sub-pro-tem., one temporary and one acting, or seven appointments are available.

For the above places, I recommend the following :-

Mr.K.Srinivasachar, M.B., B.S., to be Asstt.Surgeon, permanent, in the vacancy caused by the retirement of Mr.S.K.Hanumantha Rao, from 26-12-1916.

Mr.S. Varadiengar to be Asstt.Surgeon (VII class) permanent in the vacancy to be caused by the promotion of Mr.T.V.Kuppusawmi Mudaliar, from 28-1-17.

Mr.G.Deendayalsingh,)
Mr,B.Rajagopal Naidu)to continue as Asstt.Surgeons, in
Mr.C.Narayana Rao)place of the three officers working in the Sanitary Department.

Mr.K.V.Gundopanth, to be appointed as temporary Assistant Surgeon against the temporary charge, viz.,Krishnaraj Sagara Division.

Mr.P.R.Subba Rao, to be appointed Assistant Surgeon, temporary, during the absence of Mrs. Mary J.Whale, on leave.
